## Saint Louis Bride “Real Moments” Submission Guidelines

### Magazine Submissions

Saint Louis Bride is published twice annually – in January and July. We encourage submissions year-round and prefer to receive them 3-months prior to the issue release. Final selections are typically made in October (for the January issue) and in April (for the July issue). We are looking for weddings with unique style that took place in (and around) the St. Louis area no more than 12 months prior to the publication date.

### PLEASE SEND ALL PHOTOS TO SAINT LOUIS BRIDE VIA DROPBOX

[nancy.slade@wheremagazine.com](mailto:nancy.slade@wheremagazine.com)

- 12-30 (no more than 30, please) high-resolution images. Photos should illustrate the couple, the wedding (ceremony and reception), wedding party, guests and special touches. We welcome candid shots and encourage photos of the bride with her bridesmaids, entire wedding party and wedding guests, as well as detail shots of cake, florals, table decor, etc.
- Please only include up to 3 shots of the wedding couple, including 1 portrait of couple looking at camera. Each image should not include any watermarks or photographer’s logo.
